

**Waterdecor™** established a unilateral Minimum Advertised Price Policy. Advertising for all **waterdecor** products must contain a price no less than 90% of the Retail List Price as published in the current **waterdecor** price list. Any information relating to **waterdecor** products in any media including but not limited to, printed advertisements, promotional mailers, catalogues, faxes, radio, television and electronic media including web sites, is considered to be advertising for the purpose of this policy. Electronic mail sent in response to a consumer inquiry is not considered to be advertising.

Authorized Dealers may sell **waterdecor** products at any price they wish. The policy only concerns advertised prices, and does not relate to actual selling price of any item. Any previous authorizations and agreements verbal or written to resell **waterdecor** products will be considered null and void if minimum advertised price policy is breached. The policy will be strictly enforced and we regret we cannot offer any leniency or second chances for noncompliance.

We make great products and hope you respect our efforts to protect our brand.
